CHAMPAGNE LES RICEYS

ROSE

This charismatic blended rosé expresses the generous character of Les Riceys Pinot Noir.

Verbatim

Le Point: 92

Decanter: 90

BWA: 90

In the vineyard

Terroir: A variety of limestone and marls from the Kimmeridgian Jurassic era; cool and sunny semi-continental climate of southern Champagne, moderate altitude of 250 m.

Grape varieties: Clonal and mass selections of Pinots Noir vines from Champagne, Burgundy and the estate itself, Guyot and cordon de Royat pruning techniques, with yields 20% lower than average in Champagne. Average age of the vines: 30 years.

Viticulture: Precision viticulture with HVE (high environmental value) certification since 2015, organic practices: broad-spectrum protection, no weedkillers, soil tilling, partial grassing, organic composts, reduced treatment frequency, no insecticides.

Environment: Development of biodiversity by planting orchards, truffle oaks and honey plants, and by mowing grassy areas late in the year to respect pollination times, restoration of local heritage structures (small stone huts known as *cadoles*).

In the cellar

Harvest: Manual only, gradual, depending on grape ripeness. Sorting is carried out in the vineyard. The grapes are brought to the winery immediately, in perforated boxes.

Vinification: White wine: slow pneumatic pressing, elimination of the "taille" must, static settling, slight sulphiting, addition of basic yeasts, natural malolactic fermentation, light filtration after cold stabilisation. Red wine: manual bunch sorting, complete destemming, vatting using gravity, gentle maceration under a submerged cap, 6 days of maturation in tanks.

Ageing: At least 24 months on lees, disgorging with low dosage at 6 g/l to preserve the purity of the wine.

Wine

Appearance: Clear, intense pink.

Nose: Expressive and complex with red berries: wild strawberries, raspberries, blackcurrants, redcurrants and spices such as Sichuan pepper.

Palate: Full, delicious, very fruity, lively and structured with silky tannins. Long and refreshing finish.

Cellaring: Pour this wine within 3 years to enjoy its youthful qualities or wait up to 10 years for a more complex experience.

Service: Pour at 8-10°C and leave it to breathe for 5 minutes in the glass. Enjoy it throughout a buffet dinner, or with a rhubarb and asparagus salad, a tomato tart or anchovies from Collioure.

Packaging

- Standard white champagne bottle
- Natural cork closure
- Recyclable aluminium foil wrapping, organically sourced laminate
- Water-saving cotton label
- Pallets of 90 cases of 6 bottles stored flat, or 45 cases of 2x6=12, or 540 bottles

Analyses

Alcohol: 12.50%

Acidity: 4.35 g/l H₂SO₄

pH: 2.93

Sulphites: 48 mg/l

Dosage: Extra-Brut 6 g/l
